

Welcome!

I hope you had a great summer! I am very excited about the beginning of the school year. I know that our school year will be full of new and fun activities. I am sending home a guardian survey that will help me to better know your child - please fill this out as soon as possible.

Our Specialist Schedule is on a 2 week schedule:

- **Week One:** **Library** is on Tuesday
Phys.Ed is on Monday, Tuesday, Wednesday
Music is on Thursday and Friday
- **Week Two:** **Library** is on Tuesday
Phys.Ed is on Tuesday, Thursday and Friday
Music is on Monday and Wednesday

For Phys. Ed days please no jeans, skirts/dresses or jewelry. Comfy clothes are the way to go!

All children are required to have indoor sneakers that will be left in the classroom throughout the school year (Please remember to label! Velcro or slip-on are preferred) Please send in as soon as possible.

I look forward to a great first term! Tomorrow your child will bring home a **Message Bag**. This will be used as one of our communication tools for the year. If you have any questions please write a note and send it in this bag. ***Please have your child return the message bag daily*** and please check it daily for notices, messages, and other information. It is important to clean out notices or completed work from the message bag each day. I also have a classroom website primarybond.weebly.com and a twitter account with the address [@mspbond](https://twitter.com/mspbond) that you can follow for updates.

To volunteer at the school for any school function you are required to have a criminal record search and child abuse registry check done. If you are interested, please do this as soon as possible. In order to go on field trips we will need parent volunteers, so consider looking into this!

Please remember to label everything, and keep toys and treasures at home. Also, remember that our school is PEANUT/NUT AWARE and SCENT SENSITIVE!

Thank-you
Ms. Bond
